Oh when plays in the band
Oh when plays in the band
Every instrument you know
Will be a part of that big show
So come on and give a great big hand

Oh when plays on the horn
Oh when plays on the horn
It goes

Oh when plays on the horn

Oh when plays on the drums
Oh when plays on the drums
It goes

Oh when plays on the drums

Oh when plays on the bass
Oh when plays on the bass
It goes

Oh when plays on the bass

Oh when is going to sing
Oh when is going to sing
Well there is no other choice
Than to listen to that voice
Making music doesn't need another thing!
