Tell me do you know the alphabet  
Do you know the ABC's  
When you learn all of the letters  
Well then, reading is a breeze

## CHORUS

Hey there \_\_\_\_\_  
Do you know your ABC's ?  
Now were going to sing the letters  
Won't you join me if you please?

We will start with A for apple  
And then B for Bumble Bee  
Letter C spells CAT, well how 'bout that?  
And Doggie starts with D

The Letter E spells Elephant  
And F will give us Friend  
And G's for "green means go", you know  
Will the letters never end??

## CHORUS

Well H will make your house a home  
That's where you Hang your Hat  
And inside we can eat Ice cream  
Letter I will give you that

J's for jumping through the jungle  
While we eat our jellybeans  
While the Kitten and the kangaroo  
fly a kite, oh what a scene

Well, the letter L will let us spell  
The little ladybug  
And the lion and the little lamb  
Will share a great big hug

## CHORUS

The letter M makes music and  
A monkey out of me  
And the letter N will build a nest  
For a bird up in the tree

Well the letter O spells Orange  
And it's also Octopus  
And P is for pink popcorn pigs  
And a purple platypus

The letter Q will give us Queen  
She's married to the king  
And the letter R spells rainbow, red  
And run and race and ring.

The letter S is for the sun  
And all the stars we see  
And the toy train and the turtle teeth  
Are all words spelled with T

## CHORUS

If the Umbrella is upside down  
It's with the Letter U  
And the V is for the Valentine  
That I will give to you.

If the Walrus in the Window  
Eats his waffles while they're hot  
Than we all can play the xylophone  
While X can mark the spot

Well the letter Y spells Yo-Yo  
And a yummy snack for you  
And the letter Zee "or Zed for me"  
Is the Zebra in the zoo
